ARYA AB

MERN Stack Developer

ABOUT ME

- MERN Stack Developer. I consider myself as responsible and orderly person. I am looking forward for my first work experience.

PROJECTS

- **Portfolio**
Designed and implemented a responsive portfolio website using React.js and Tailwind CSS.
<https://portfolioarya.netlify.app/>
- **Fake API**
Designed and implemented a mock API just using an API link.
https://github.com/aryasynnefo/Fake_API
- **Movies**
Designed and implemented a dynamic web application using the Express.js framework to showcase a collection of movies. Developed features for user-authentication allowing users to create accounts and login.
<https://github.com/aryasynnefo/BookMyShow>
- **E-Commerce**
Developed a user-friendly e-commerce platform using React for the frontend along with backend technologies. Implemented key features such as product listings, user-authentication, Utilized React's component-based architecture to ensure scalability and maintainability.
